

## ICM-III STUDENT HOSPITAL H&P LOGISTICS

Each student will be assigned one Hospital H&P session to be held at one of four sites, MG, USSAH, NNMC and WRAMC. Your individual schedule has your assigned site. Please note that not all partners are scheduled for the same site for the hospital H&P Session so please read your individual schedule carefully.

This session will be held 1:00-4:30. Sessions begin promptly at 1:00 PM so please allow for travel time and parking. When you arrive at your site, please report to the Onsite Coordinators Office (see below) where you will be provided your patient assignments, preceptor info and any additional information. After you have finished your H&P on the patient, please report back to the Onsite Coordinators' office to meet with your assigned preceptor, unless otherwise informed.
