

PRODUCT ANNOUNCEMENT

New ECC Product:	BLS for Healthcare Providers (80-1010)
Product Code:	80-1010
Price:	\$11.00
Product Supersedes another?	The 2006 edition replaces 70-2046, BLS for Healthcare Providers; 70-2047, Fundamentals of BLS for Healthcare Providers; and 70-2291, Fundamentals of BLS for Healthcare Providers audiocassette. All three can be used, with updates, through June 30, 2006; distributors will discontinue sales February 14, 2006.
Brief Description:	This text for the BLS for Healthcare Providers Course provides updated content and many new illustrations for credentialed healthcare providers. It can be used in class as a workbook, before class for preparation, and as a reference book for the student after the course. This approximately 80-page book covers core material such as adult and pediatric CPR (including two-rescuer scenarios and use of the bag mask), foreign-body airway obstruction, and automated external defibrillation. A student CD, included with the text, contains supplemental information for the interested student on topics such as stroke, cardiac arrest, and special resuscitation situations. Now formatted in a new style that makes any topic easy to find.
Purpose/Intended Audience:	For healthcare providers such as EMS personnel, physician assistants, doctors, dentists, nurses, and respiratory therapists who must have a credential (card) documenting successful completion of a CPR course.
Date at distributors:	Wednesday, February 15, 2006
