MEMORANDUM FOR MILITARY TRAINING NETWORK BASIC LIFE SUPPORT
TRAINING SITES

SUBJECT: Military Training Network Basic Life Support (BLS) 2005 Guidelines For
Healthcare Providers Cards

1. Due to the recent changes to American Heart Association (AHA) 2005 Guidelines, the current MTN Healthcare Provider (HCP) cards which are dated to the old 2000 guidelines are to be issued to students until all your excess cards are completely exhausted. To correct the old cards, make a one line correction across the year 2000 and either handwrite or type the year 2005 on the front of the card.
2. Thank you for your co-operation concerning this important matter. If further assistance is needed, please one of contact the MTN BLS Program Managers.
