

NEUROSCIENCE SEMINAR SCHEDULE 09/10

ALL SEMINARS IN LECTURE ROOM B 3:30PM (unless otherwise stated)
updated: November 16, 2009

September 3, 2009

Patricio O'Donnell, MD, PhD
Professor of Anatomy & Neurobiology and Psychiatry
University of Maryland School of Medicine

Host – Dr. Maria Braga

Title: Periadolescent maturation of the prefrontal cortex: implications for schizophrenia

October 1, 2009

Marco Martina MD PhD
Assistant Professor Dept. Physiology,
Northwestern University

Host – Dr. Zygmunt Galdzicki

Title: "Regulation of Action Potential Firing in Cerebellar Unipolar Brush Cells"

October 15, 2009

Dr. Marguerite Littelton-Kearney
Associate Dean for Research
Graduate School of Nursing, USUHS

Host – Dr. Bruce Schoneboom

Title: "Effects of Estrogen & Progesterone on Postischemic Artery Dilatory Capacity"

October 29, 2009 - NES Open House

November 12, 2009

Alexander G. Rabchevsky, Ph.D.
Associate Professor of Physiology
SCoBIRC Endowed Chair
University of Kentucky
Spinal Cord & Brain Injury
Research Center (SCoBIRC)

title: "Intraspinal plasticity of sensory fibers and propriospinal neurons is associated with autonomic dysreflexia after spinal cord injury."

December 3, 2009

Student Seminars
Eric Prager
Craig Bundich

December 17, 2009

Student Seminars
Camila Almeida
Trevor Logan

January 14, 2010

Thomas A. Blanpied, Ph.D.
Department of Physiology
University of Maryland, Baltimore
Title: Unknown as of Yet

January 28, 2010

Christopher Baker, PhD
bakerchris@mail.nih.gov
Host – Sharon Juliano
Title: Unknown as of Yet

February 11, 2010

February 25, 2010

Jack Kessler
jakessler@northwestern.edu>
Host – Aviva Symes

March 11, 2010

Elias Aizenman, Ph.D.
Professor
Department of Neurobiology
University of Pittsburgh School of Medicine
Host – Dr. Yumin Zhang
Title: "Zinc regulation of ionic fluxes in the life and death of neurons"

April 1, 2010

M. Elizabeth Ross, MD, PhD
Professor and Head, Laboratory of Neurogenetics and Development
Interim Chair, Neuroscience Graduate Program
Vice Chair for Research, Department of Neurology and Neuroscience
Weill Cornell Medical College
Host – Martin Doughty
Title: Unknown as of Yet

April 15, 2010

Dr. Charles R. Gerfen
Laboratory of System Neuroscience, NIMH
Porter Neuroscience Research Center

Host – Fereshteh Nugent
Title – Unknown as of Yet

April 29, 2010

Yang Jiang, Ph.D.
Associate Professor, Department of Behavioral Science
University of Kentucky College of Medicine

Host – Dr. Ann Marini

Title: Does functional reorganization in the brain signal cognitive change?

May 13, 2010

May 27, 2010

June 10, 2010
