

USUHS Third Year Pediatrics Clerkship Requirements

Inpatient Ward

- 2 call nights (usually one night per week, one must be a weekend)
- Written H&P- please have H&P #1 to me *by the end of inpatient week #1* so I can provide you with some feedback. H&P #2 is due by the end of inpatient week #2.
- Inpatient H&P Exam Checklist
- **Green Evaluation Forms** (may be given to ward attending, residents, interns)

Newborn Nursery

- 1 call night (this is spent with the NICU team)
- Newborn H&P Exam Checklist
- **Green Evaluation Forms** (may be given to staff pediatrician, PNP's, residents)

Outpatient Clinic

- No Call!
- 1 Structured Clinical Evaluation (SCE) worksheet
- 1 Oral presentation (present to Dr. Sullivan for a grade)
- **Blue Evaluation forms** (may be given to PNP's, staff pediatricians)

Other Activities

- Reflective Writing- please post to Blackboard by 5th Monday of the Rotation
- Health Supervision Cases- we will meet twice during the rotation to review (usually the 3rd and 4th Mondays, after your lectures)
- CLIPP cases
- Clerkship Quiz- please complete by last day of the rotation
- Weblog- please update weekly (USU does track this throughout the rotation)

***Please remember to have your staff initial your Clinical Passport as you complete these activities! This will be turned in on your last day.

Enjoy your rotation in Pediatrics and please let me know if you have any questions.
