Attachment V-1.

Curriculum Planning Worksheet

This worksheet is part of the planning process for the MPH independent project and practicum requirements in PM0671. Students should select an area of concentration, if you have not already done so, and complete the worksheet in consultation with their academic advisor. The course selections for the rest of the academic year are for planning purposes and may be regarded as tentative. Submit the completed form with both signatures to Director, Graduate Research and Practicum Programs.
