USU Cafeteria Building B
0800-1200

SSC Mission

The Student Spouses Club (SSC) is an organization for the spouses and significant others of the students at the Uniformed Services University of the Health Sciences. The goal of the Student Spouses Club is to provide support, friendship, and community for student families through a variety of social and service activities throughout the year.

All USU spouses, fiancées & significant others, new and current are invited to attend this orientation session! It's a wonderful opportunity to learn more about USU and what you can expect in the years ahead. Meet other spouses who are eager to make your transition as smooth as possible. Here's your chance to ask questions, make new friends and meet people like you!

A light breakfast will be served, followed by speakers from USU and the SSC. Feel free to join a brief tour of USU after the Orientation program. For your children's entertainment, a Kid Zone will be available.
