

# VI. APPLICATION SUBMISSION

---

## A. INTENT TO SUBMIT AN APPLICATION

Investigators are highly encouraged to notify the TSNRP of their interest in applying by submitting a Letter of Intent (LOI). The LOI is not a commitment to submit an application. TSNRP may provide guidance in response to an LOI. LOIs may be submitted electronically through the TSNRP web site, <http://www.usuhs.mil/tsnrp/forms/index.html>, as a paper copy mailed to the address below, or faxed to 301-295-7052 (see Appendix C for LOI forms).

## B. SUBMISSION REQUIREMENTS

Application requirements are determined by the award category. The application will consist of TSNRP forms and Public Health Service (PHS) forms, either PHS 398 forms (revised 5/01), PHS 416-1 forms (revised 11/02), or a combination of both. A table showing the application forms required for each award category is provided on page 13. All applications must be accompanied by TSNRP forms revised 7/03. A **complete application** includes:

- One signed original of the TSNRP forms and the appropriate PHS forms, with appendices.
- Two copies of the **entire original, including appendices.**
- One electronic copy of the complete application, including TSNRP forms and the appropriate PHS forms, with appendices. (**CD-ROM only. Do not send floppy disks or PDF files.**)

The application packet should be secured with rubber bands (no staples, clips, or binders). All forms are available online at <http://www.usuhs.mil/tsnrp/forms/index.html>.
